State of OUR State Rally

*including the delivery of the State of OUR State Report to the Governor and
Lawmakers*

11:00AM**

Illinois State Capitol
301 S 2nd Street, Springfield, IL 62707

Our collective voice is needed to define the true state of OUR State and the solutions that ensure families and communities succeed before the Governor delivers his State of the State Address.

Our state has gone more than six months without a budget. Our families and communities are suffering as a result. Each day that goes by families and communities are falling behind and they may never fully recover. We must demand state policymakers put a **budget first** that **chooses revenue** instead of cuts to our families and communities. **There has never been a more important time to make your voice heard.**

MAKE YOUR VOICE HEARD. JOIN US FOR THE STATE OF OUR STATE.
